To Whom It May Concern,

I am pleased to recommend **Sibusiso Shungana**, who has been an ESL teacher at Worwick Franklin Institute in Jeju Island, South Korea from March 2025 until February 28, 2026.

Sibusiso teaches kindergarten and elementary students and has shown great skill in creating enjoyable and effective lessons. He uses stories, pictures, and classroom games to help students learn English naturally.

As the Director of the school, I have seen Sibusiso's strong work ethic and positive attitude. He is always prepared, organized, and works well with both students and staff. The children look forward to his lessons, and their English skills have improved greatly.

Sibusiso has been a valuable part of our team, and I am confident that he will continue to succeed in any teaching environment.

Sincerely,

Christina 

Director, Worwick Franklin Institute
