Verification of South African Qualifications -
Mapula Malatji - Identity Number 8911070427083

The **South African Qualifications Authority (SAQA)** is a statutory body, regulated in terms of the *National Qualifications Framework Act No. 67 of 2008* and is mandated by legislation to oversee the development and implementation of the National Qualifications Framework (NQF).

The verification of qualifications resides in the overarching quality assurance role that SAQA performs.

It is a strategic imperative of the organisation to support and direct the national and international mobility of lifelong learners, including workers, by facilitating the recognition of their learning achievements.

SAQA is pleased to perform this verification, via its National Learners' Records Database.

The verification results are as follows:

Qualification	NQF Level	Institution	Year	Found
Bachelor of Technology: Finance and Accounting: Public	Pre-2009 was Level 7	Tshwane University of Technology (TUT)	2014	Yes

The achievement of this qualification is thus confirmed.

We look forward to being of further service to you in future.

Yours sincerely
